# King

of the Sandbar

The solid-riding hull with twin engine configuration enables you to run easily at maximum speeds through deep offshore waters. When running offshore, you'll be able to take on the large swells effortlessly with the Concept 32'.

*The Concept 32' understands your fever for fishing and responds with speed, style and versatility.*

A built-in live well, insulated fish boxes, and dry storage compartments make this boat fishing-ready. And as with all Concept models, you can rig your boat any way you want. Choose from an abundance of features to help you compete in the most intense conditions. For added comfort, mount a t-top to the console so you can follow the fish around the boat with ease.
